IT RISK MANAGERS, INC. ADDS AUCTIONEER PRODUCT MANAGER SHARON SALTZGABER

Okemos, Michigan, February 2010 –IT Risk Managers, Inc. is excited to announce the addition of Sharon Saltzgaber, licensed insurance broker and program manager for the Auctioneer Insurance Program. With 14 years of experience in the insurance industry, Sharon is a valuable addition to the IT Risk Managers team.

Saltzgaber began in the insurance industry in 1996 and has worked closely with Michigan agents and businesses. In her most recent position with the Michigan Association of Insurance Agents Saltzgaber worked with the MAIA Insurance Agents E&O program and assisting agents in placing their E&O coverage.

“Our Auctioneer Insurance Program (AIP) is gaining a lot of momentum and we need someone with Saltzgaber’s experience and expertise to help take it to the next level,” said Larry Harb, President and CEO of IT Risk Managers. We are marketing the AIP program all over the country and have now gain the endorsement of seven state Auctioneer Associations including MI, WI, IL, KY, NC, ME and AZ. In addition, we have a number of other State Associations that are just awaiting Board approval to endorse the AIP program.

The AIP program is a specialized insurance program designed by auctioneers, for auctioneers. We have combined the basic coverages that every auctioneer needs including a General Liability policy with Error and Omission and Care, Custody and Control endorsements. “At a minimum this coverage is what every Auctioneer needs,” said Mr. Harb, who designed and built the program along with the assistance of other auctioneers. In addition to being a licensed insurance agent, Harb is also a licensed auctioneer.

IT Risk Managers, Inc. is a premier internet and technology insurance wholesaler, program managers that provides risk management solutions for companies in the technology business and for companies that use technology. We are a fully licensed insurance agency in the 48 contiguous states. We can also assist with almost any insurance need. For more information, visit <http://www.itriskmanagers.com>.
